GENERAL INFORMATION

The following information is a general introduction to the guidelines for our program. Conductors provide additional specific rules pertaining to their individual orchestras and ensembles. As the season progresses, the Administrative Staff or the Board of Directors may make decisions that alter or add to the information contained herein. Any specific information given by the Conductors, Administrative Staff, or decisions made by the Board of Directors automatically become a part of this handbook.

5. MISSION STATEMENT

The mission of the Pinellas Youth Symphony, Inc. is to:

Offer the community a program for the youth of Pinellas County that will support and enhance the music education of the individual through participation in a challenging group setting.

Encourage children to focus their extracurricular energy on a positive activity that will nurture appreciation for the arts.

Provide students with an environment that will support the development of positive self-esteem and self-discipline and promote the spirit of cooperation through an orchestral setting.

6. NONDISCRIMINATION POLICY

It is the policy of Pinellas Youth Symphony, Inc. that no person shall, on the grounds of race, sex, handicap, national origin, religion, marital status, or political belief be discriminated against as a participant or volunteer in the Pinellas Youth Symphony or any of its programs or activities.

7. MEMBERSHIP QUALIFICATIONS

The qualifications for orchestra membership are as follows: All interested students and previous PYS members must audition for acceptance before each season. For past PYS students, acceptance into the same ensemble is not guaranteed. Those students must maintain the standard of their ensemble. The Artistic Director and/or the audition adjudicators determine the initial seating placement. The orchestra conductors may rotate the seating during the season at their discretion and/or hold occasional “chair” auditions. The Artistic Director and/or conductors for each ensemble use their discretion to fill any seating vacancies during the year. Each student is assessed a tuition based on placement in the program.

Students are strongly encouraged to participate in their school music programs where available and encouraged to seek private instruction. Study of assigned music and practice outside of rehearsal insures the advancement of the orchestra as a whole during rehearsal time.

ORCHESTRA INFORMATION

PINELLAS YOUTH SYMPHONY'S OVERSEAS TOUR

European Tour in June 2008: As part of the 50th Anniversary Celebration a tour orchestra comprised of 52 senior level student musicians traveled to and performed in Italy and Austria in June 2008. These students experienced firsthand the cultures of Italy and Austria. They performed concerts in remarkable venues and explored historically significant landmarks in Rome, Florence, Venice, Salzburg, and Vienna. For more photos, videos, and concert performances about the tour visit our website at www.pysmusic.org.

The Symphony is considering another overseas concert tour in the near future.

Attendance at all rehearsals and concerts in which the student performs is mandatory, with the exception of illness, religious holidays, death in the family, or mandatory attendance at a school function. We also suggest attendance at other Pinellas Youth Symphony concerts in which the student is not performing.

PLANNED ABSENCE OR TARDINESS:

Any student who anticipates being absent or tardy from a rehearsal or concert must submit a Planned Absence Form, detailing the reason(s) and date(s) for each anticipated absence or tardiness. This form must be submitted at least 2 weeks prior to an absence. In addition if a student must be absent from a concert, he or she must discuss this with the student's orchestra Conductor as far in advance of the concert as possible.

UNPLANNED ABSENCE:

Any unexpected absence requires the student to call the PYS Voicemail (438-3149) before 1:00 p.m. on the day of the rehearsal (regardless of reason for absence, excused or unexcused). Leave a clear message as to the nature of the absence on Voicemail, which the Director checks before rehearsals.

REPEATED ABSENCES:

Repeated absences, excused or unexcused, result in a reduction in performance ability and may cause reseating, exclusion from an upcoming concert or dismissal from the program with no tuition refunded. ***A third unexcused absence in a semester may result in dismissal with no tuition refunded.***

TARDINESS: Students who are late to a rehearsal must immediately report to their orchestra with as little disruption as possible, unless asked to wait. *Sit in any available chair until break*, at which time you may speak to your conductor concerning moving into your chair. **Students who report late to a rehearsal shall report to the conductor or room parent at the break to account for their tardiness.** Repeated tardiness may be cause for disciplinary action or loss of performance opportunity. A second unexcused tardy constitutes one unexcused absence.

An absent student's music must be present during a missed concert, regardless of the reason for a student's absence

19. NON-MEMBER REHEARSAL ATTENDANCE

Rehearsals are open to parents (and visitors by appointment only), unless specifically announced by the Conductor or Administrative Staff. The Conductor does not tolerate disruptive behavior during rehearsal. Disruptive behavior, such as talking or continued noise, is cause for the dismissal of the disruptive individual(s) from the rehearsal. Please, no verbal or physical contact with the student during a rehearsal unless necessary.

20. TRANSPORTATION AND PARKING

Transportation is the responsibility of the student and his/her family. Please arrange for the timely arrival of students and prompt pick up at rehearsals' end. For possible car-pooling opportunities, direct inquiries to the administrative staff. **All PYS students and families have been assigned parking in the furthest northeastern lower parking lot, directly across the street from the Marcia P. Hoffman Performing Arts Institute.**

21. REHEARSAL FACILITIES AND POLICIES

Rehearsals are held on Sunday afternoons/early evenings at the Marcia P. Hoffman Education Institute at Ruth Eckerd Hall, located on 1111 McMullen Booth Road in Clearwater. Beginning Strings and String Consort classes may be offered at alternative sites with locations TBA once enrollment is determined. **String class offerings at alternative sites are determined by the number of interested students who register.** PYS reserves the right to cancel classes serving less than 10 students. Any changes in class location or time will be announced to the students by email, flyers, and on the website.

Leaving Rehearsal Site: Students may not leave the rehearsal site during rehearsal or go to the parking lot without specific permission from the orchestra room parent and/or the PYS security checkout volunteer parent. *If it is necessary for a student to leave the facility, the student first must notify the room parent or Administrative Staff.*

Room Set-Up/Take-Down: Although your rehearsal room may be set up for you, it is the responsibility of each student to assist with set-up and break down (where applicable) of rehearsal areas. Student responsibility includes remaining in the rehearsal area until the room is back in its original condition. ***Before percussion students leave the facility, all percussion equipment must be stored properly.***

Refreshments other than bottled water are prohibited in rehearsal rooms; this policy includes staff, parents, students, and visitors. **All rehearsal facilities are non-smoking areas.** This policy includes staff, parents, students and parking areas.

26. TUITION FUNDRAISING OPPORTUNITIES

Listed below are opportunities in which families can raise funds to help defray the cost of their child's tuition and at the same time help raise funds for PYS. Your family can.....

1. **Earn tuition credit** by working concession stands at Tropicana Field for baseball and other events. Inquiries regarding these opportunities may be directed to the Tropicana Coordinator's email address: Tropicana@pysmusic.org or accessing Tropicana information from our website or from the PYS Information Table during rehearsals.
2. **Work a weekly job assignment** (when available), in which a parent volunteer is assigned a specific job to work at each rehearsal throughout the season. Work jobs can include manning the front entrance information or check-in tables, being a room parent or hall monitor. Consistent, weekly job attendance at rehearsals will result in a one-time \$50 family tuition credit for the season.
3. **Solicit tax-deductible contribution(s)** from sources outside your immediate family (use the Adopt-A-Student form).

27. NEED-BASED TUITION SCHOLARSHIPS

Tuition Assistance Scholarship Applications are available for students who have an economic need for assistance with orchestra or instructional class tuition. *All tuition scholarships are need-based, and do not cover the music fee and in most cases, an ensemble tuition.* **The amount of the scholarship will NOT exceed two-thirds (2/3's) of the regular annual tuition amount.** The scholarship may require the student and/or the student's parents to perform tasks in conjunction with the PYS program.

At the time of final registration for orchestra (1st rehearsal) or string classes, all students (including those applying for scholarships) will pay 1/3 of the tuition as well as the \$25 music fee. If there is difficulty paying this tuition, please see the Registrar at registration to arrange for a payment schedule that meets your family budget. **Also note there are more details about fundraising opportunities posted on the website.**

Applications may be obtained online at our website, at the time of orchestra auditions or during registration for the Beginning Strings and String Consort classes. **Complete and return Tuition Assistance Scholarship Applications for orchestra membership by first rehearsal** unless there are extenuating circumstances. The scholarship committee will review all applications and may request documentation verifying family income. **Scholarships must be applied for at the beginning of the season due to limited funds.**

28. INSTRUMENT LOAN

If you have difficulty obtaining an instrument contact the Executive Director for possible help. You may either Email: pysdirector@yahoo.com or call the PYS Voicemail (727) 438-3149.

29. SUMMER MUSIC CAMP SCHOLARSHIPS

Each year the Pinellas Youth Symphony awards a number of partial scholarships to deserving students in PYS who desire to attend an instrumental summer music camp. It is the responsibility of the student to gather information concerning any summer music camps they are applying for (in-state and out-of-state). Proceeds from the free-will collection taken at the Wallace Gause Memorial Concert and other fundraisers provide the funding for this program. **Applications are available in January 2012; application deadline for summer music camp scholarships is April 15, 2012.**

30. PYS PARENT VOLUNTEER GUILD

The PYS Volunteer Guild is a group of parents and other members of the community who share an interest in helping the Pinellas Youth Symphony by volunteering their time and talents. Parents are encouraged to be active Guild members. Please sign-up as a volunteer on audition day.

31. FUNDING ACKNOWLEDGEMENTS

Pinellas Youth Symphony 2011-2012 Chamber Ensemble Student Guidelines

Membership in an ensemble is based on a student's orchestra audition and the need for instrumentation in an ensemble. The chamber ensemble tuition for this season is \$175, with each student receiving one-hour weekly ensemble instruction and performing in several chamber ensemble concerts during the season.

1. All ensemble students are required to submit a signed copy of the ensemble rules (below) to the ensemble coach or PYS director at the beginning of the semester.
2. Each ensemble musician must be a student in good standing in a PYS orchestra.
3. Rehearsal/Concert Schedule: Each student will receive a written schedule of known ensemble rehearsals and concerts dates at the beginning of the season. A student's and parent's signature below signify that they agree to student attendance at all rehearsals and performances listed on the schedule. Each ensemble student agrees to be available for ensemble performances as is reasonable, generally about twice per semester.

Ensemble students are required to come to rehearsals on time, prepared, with the appropriate music, instrument, and music stand.
4. All general rules contained in the PYS Student Handbook apply to ensemble students, including notifying the ensemble coach of an unavoidable, planned absence at least 2 weeks prior to the absence.
5. Excused/Unexcused Absences: (see this handbook defining excused/unexcused absences). Any ensemble student who has 2 unexcused absences from rehearsals or performances, including attending without music or instrument, may (at the discretion of the ensemble coach) forfeit performing in the next scheduled concert.
6. Performances (concert and non-concert) usually occur on weekends but may take place on an occasional weekday evening. Performances will include scheduled PYS Chamber Concerts (usually 3/season) and may also include non-concert performance "gigs" for service/charity organizations within the community. Chamber ensemble students playing for service/charity organizations may earn volunteer hours towards school graduation and scholarship requirements. Performances for these organizations will be scheduled by PYS and could include playing in Hospice residences, homeless shelters, food banks, veterans' hospitals, soup kitchens, etc.
7. Notification of Non-Concert Performances: Each ensemble student will receive notification of additional performance opportunities as soon as PYS receives such requests. PYS requires the student to notify his/her ensemble coach of availability for any additional performances within 48 hours.
8. Rehearsal Room Set-Up: Ensemble students are required, when necessary, to set up and break down their rehearsal room, leaving the room in its original condition.
9. Ensemble students who meet/rehearse prior to their orchestra rehearsal must arrive on time for the orchestra rehearsal.
10. The dress code for ensemble members in the same as for their respective orchestras, unless otherwise instructed.

I fully understand the rules for the Pinellas Youth Symphony Chamber Ensemble Program. I agree to attend all rehearsals and performances provided on the written schedule given to me, except in case of serious illness or emergency. Whenever possible, I will notify my ensemble coach of such illness or emergency before the rehearsal or performance. ***I will also submit a signed PYS Unplanned Absence form to my coach at the next meeting of the chamber group.***
